SECRET, 25X1A ..2a firing practice with live amounttion. On 10 March, 4 T-34 tanks l truck, 1 jeep and about 30 soldiers 25X1 wearing red-bordered black epaulets were detrained at the Weisswasser railroad station, coming from the direction of Spremberg, and, subsequently, went to the troop training grounds. On 23 March, 17 officers and about 300 soldiers wearing red-bordered black epaulets and carrying full pack were unloaded at the Weisswasser railroad station, coming from the direction of Spremberg, and went to the troop training grounds. On and after 12 March, the earht bunkers near the rifle range were occupied to capacity by about 150 soldiers and a field kitchen. It was removed that from 11 to 26 March, more than 30 tanks entered the camp, coming from Uhyst, and, on 23 March, Camp Bocksberg was occupied by about 1,500 soldiers. From 13 to 23 March, trucks 25X1B and T-34 tank No 79 were seen in the area of the troop training grounds. 25X1A Comment. Possibly advance details which moved to a troop training grounds. The which belong to the area of the 25X1 Eighth Gds Army allow no further conclusions. 25X1A Comment. The engineer training grounds was reported unoccupied on 23 January by the same source. Comment. The directions from which the shipments came tend to 25X1A indicate that the units seen in Dessau probably were engineer units of the Eighth Gds Army and those seen in Wittenberg were engineer units of the 9th Mecz Div. 25X1 Comment. 25X1A a unit of the 62d AAA Div (US) which, on trains probably went to 25X1B Wustrow. 25X1A Comment. Two other sources stated that this train of the 9th Mecz Div went to Jueterbog and carried 37-mm AA guns. 25X1A 25X1A Comment. Source of paragraph 4 repeatedly reported that the 25X1A Weisswasser Troop training grounds was heavily occupied. 25X1A
